Quality of Work	Work (e.g., code) looks correct and organized. The project's readme file is clear, intelligible, and give a good idea of what the project is about.	Work (e.g., code) looks mostly correct and organized. The code could be better structured. OR the project readme file is somewhat unclear.	Work (e.g., code) is mostly disorganized. OR the project readme file is very unclear.	No code is given.	2
Comments (e.g. Give an example of what could be improved. How can the code or readme file be improved?, etc.)		I think you could have been more clear about what your project is actually going to do.			
Intellectual Merit	The project looks interesting, creative, and/or substantial.	The project is interesting, creative, and/or substantial, but does not seem feasible to do in a semester.	The project lacks substantial complexity.	No code is given or the project description is too vague to determine if the research has merit.	3
Comments (e.g. Give an example of what could be improved. If the project is too complex, what parts of the project could feasibly be done? If the project is too simple, what	This looks really interesting. I think you could have explained what the end goal is a little better, but I like your idea.
